Overview

Who makes the best folding container house?

We offer you the BEST folding container house for your needs. HSA is the leading global manufacturer of container house that combine R&D, manufacturer, sales, and service for folding residential containers, folding mobile rooms, folding mobile containers and folding site containers.

Who purchased a 40ft custom fabricated container from container sales group?

Join Scottie Pippen who purchased a 40ft custom fabricated container from Container Sales Group! When you purchase from Container Sales Group, you work with our esteemed team — the leading force in the container sales industry!.

What makes Faltsysteme a successful reusable container company?

In 1978 WALTHER Faltsysteme folded the first reusable containers. Since then, our container specialists have been renowned as the experts in the foldable plastic box market. Our success is based on the right fold: whether lengthwise or crosswise, with a hinge or without. This is largely defined by our customers' requirements.

What is HSA expandable container house?

HSA Expandable Container House redefines the concept of modular living. Designed to provide maximum space with minimum fuss, this house expands to create ample living area when stationary, and can be compacted for easy relocation. The expansion mechanism is both innovative and user-friendly, making it an ideal choice for those needing extra space.
