

**NKOSITHANDILEB SOLAR**

# **African Solar Containerized Grid-Connected Suppliers**

## Overview

---

Who is microgrid Africa?

MICROGRID AFRICA Ltd based in Johannesburg, South Africa is your experienced partner for photovoltaic hybrid energy solutions with battery storage systems. We are Designers, Consulting Engineers and Contractors with a stronger focus on Solar, Battery Energy Storage and related Hybrid Systems.

Who is solar & battery energy storage?

We are Designers, Consulting Engineers and Contractors with a stronger focus on Solar, Battery Energy Storage and related Hybrid Systems. We offer high-quality solutions for nearly every application on and off-grid energy supply.

Why should you choose microgrid Africa?

The intermittency of solar and wind power generation is best managed with a robust and cost effective energy storage systems. Microgrid Africa also specializes in turnkey substation solutions, construction and erection of substations, as well as upgrading existing transformer and substation infrastructure.
