Overview

What is arc flash protection?

Our range of Arc Flash Protective Clothing and Arc Flash Personal Protective Equipment provides protection against arc flash that can occur during activities like switchgear failure. Choose from the following:.

Are arc flash accidents rare?

Need help?

Schneider Electric Ireland. Arc flash accidents in electrical installations are rare but severe. Ensure electrical safety at your workplace with our arc flash protection solutions.

What is a 3 piece arc flash switching suit?

This triple-certified suit is made from permanently flame resistant UltraSoft®, pre-shrunk fabric, and features a Nomex® thread. Its arc-flash clothing material has been tested to ensure that it provides maximum protection against arc flash and other electrical hazards. Description: Three piece arc flash switching suit, HRC 4, ATPV 51 cal/cm².

Who manufactures arc-resistant switchgear?

Eaton was the first major North American manufacturer to design, test, and manufacture arc-resistant switchgear in accordance with EEMAC G14.1. We now offer Type 2 and 2B arc-resistant switchgear assemblies, designed and tested in accordance with the IEEE C37.20.7, with Type VCP-W drawout vacuum circuit breakers.
