

NKOSITHANDILEB SOLAR

Bahamas Energy Storage Outdoor Power Company

Overview

Why should you choose Bahamas Power & Light Company Ltd?

At Bahamas Power and Light Company Ltd., we believe in a future powered by sustainable energy. We are committed to providing you with a cleaner and greener future through reliable energy harnessed from our natural resources.

What is the Bahamas national energy policy?

The latest release of The Bahamas National Energy Policy documents the country's plans to implement renewable energy generation. This will introduce net-metering, which is the recording of energy flows in both directions. As the Bahamas has close to six daily peak sun hours. Solar Power can offset a significant part of your power bill.

What is the return on investment in the Bahamas?

In The Bahamas, your return on investment can be as high as 20% or more! There are 2 types of systems. Grid Tied and Off Grid. Proper site assessment (condition and orientation of roof) is a must. + Questions to ask your installer. Can you guarantee your work will be to manufacturer's specifications?
