**Best factory price main
switchgear company**

Overview

Who are the top switchgear companies?

We're here to help answer any questions about our products and services. Top switchgear companies include ABB, Mitsubishi Electric, Siemens, Eaton, Toshiba Energy Systems & Solutions Corporation, and Hitachi, among others.

Which switchgear manufacturer is based in the USA?

AZZ Inc. is a global switchgear manufacturer based in the USA. It is known for its durable and premium quality products such as switchgear, high voltage bus systems, tubular products, duplex coating, mil-spec, and protective relay panels. AZZ Inc. has been in this field for about 75 years.

Why is the switchgear industry growing?

The main driver of the switchgear industry's growth is the increase in investments in T&D infrastructure. An electrical component known as switchgear is made up of circuit breakers, fuses, and electrical disconnect switches. Switchgears are used in an electric power system to safeguard, control, and monitor electrical equipment.

Who makes Andeli switchgear?

Andeli Group Co., Ltd. is a prominent manufacturer specializing in both low- and high-voltage electrical devices, including a diverse range of switchgear. The company's commitment to innovation and quality is reflected in its extensive product lineup and numerous international certifications.
