Black Mountain Base Station Power Supply Modification

Overview

Where is Black Mountain in Fallout New Vegas?

” — Fallout: New Vegas loading screens Black Mountain is a location in the Mojave Wasteland in Fallout: New Vegas. Black Mountain was host to a military communications array and monitoring station focused on China 's satellite network prior to the Great War.

Are super mutants living in Black Mountain in Fallout New Vegas?

“ Travelers along the Long 15 have complained to NCR rangers that caravans have been harassed and attacked by fearsome super mutants living in the irradiated ruins of Black Mountain. ” — Fallout: New Vegas loading screens Black Mountain is a location in the Mojave Wasteland in Fallout: New Vegas.

Where is Black Mountain?

Black Mountain is located in the same geographical area as the real-world Black Mountain, within the Sloan Canyon National Conservation Area near Henderson, Nevada. Josh Sawyer addressed criticism that the inclusion of Black Mountain, as well as Quarry Junction and scorpion gulch, was to simply gatekeep the player from the New Vegas Strip.

Who were Black Mountain's New ghouls?

Sometime before or during 2281, Black Mountain had two new arrivals: Neil, a first-generation sent by Marcus as a spy to keep tabs on Tabitha's regime as well as to divert any wandering mutants away from there to Jacobstown instead, and Raul Tejada, a ghoul mechanic that came to investigate the disrupted radio signals he liked listening to.
