

NKOSITHANDILEB SOLAR

Boston Sun Room solar Panel Manufacturer

Overview

What is Boston Solar?

Boston Solar is the #1 residential solar company based in Massachusetts, with over 4,000 installations. They are proud to power Massachusetts, a state that continues to lead the nation in solar installations. Boston Solar provides superior products, exceptional customer service, and the highest quality workmanship.

Why should you choose Boston Solar for your residential installation?

When you choose Boston Solar for your residential solar installation, you're partnering with local experts who understand the unique challenges and opportunities of solar in Massachusetts. Our custom-designed systems are built to withstand harsh winters and maximize energy production year-round.

Why choose residential solar in Massachusetts?

Residential solar in Massachusetts allows you to harness the power of the sun and take control of your energy future. Despite our New England weather, the Bay State is a prime location for solar energy, offering homeowners the opportunity to significantly reduce electricity costs while contributing to a cleaner environment.

Does Boston Solar install solar?

From financing to design and installation, Boston Solar does it all. Our in-house installers are licensed and certified, meaning you can rest assured that your solar meets the most rigorous standards. Download the Boston Solar complete guide to going solar and get answers to all your questions about solar energy.
