# Bpi solar container outdoor power price

## Overview

---

### Who is BPI solar & energy?

BPI's turn-key solutions unlock untapped potential through creating solar and energy solutions for properties of any size and type. Delivered and maintained, nationwide. Contractor's License # 930054 (A - GENERAL ENGINEERING, C10 - ELECTRICAL, C39 - ROOFING) We Deliver Solar & Energy Solutions, Nationwide.

### Why should you choose BPI solar & energy solutions?

Solar & energy solutions, delivered locally & nationwide. Our highly committed in-house team is ready to take the guesswork out of commercial solar. We will evaluate your energy needs, maximize your investment, and guide you through the process. BPI delivers turn-key energy systems that diversify what properties produce.

### What does BPI do?

BPI delivers turn-key energy systems that diversify what properties produce. BPI is a full-service energy contractor that equips properties with integrated roofing and solar, energy storage, carport solar, EV chargers, and general contracting services. BPI drives significant increases in net operating income, property value and energy savings.

### Is BPI a good investment?

BPI has been a pleasure to work. They helped us navigate the complexities of tax credit opportunities and designed tailored solar PV systems at several multifamily properties in California. We were seeking to maximize energy efficiency and advance our financial objectives and using BPI is a valuable investment to our properties.
