# **Cape Town solar Panel Manufacturer**

## Overview

---

Who makes solar panels in South Africa?

ARTsolar is South Africa's only locally owned solar panel manufacturer. Shop online for world class solar panels, solar inverters, solar batteries and more. The company specializes in manufacturing solar panels and offers comprehensive services, including design, supply, and installation of turn-key solar solutions for various markets.

Are JA Solar panels a good choice in South Africa?

While high-profile companies will often charge premium prices, JA Solar offers their panels at a highly competitive price in South Africa. This gives South Africans an accessible option for a premium solar panel solution for their home. JA Solar Panels are a high-quality solar solution with a competitive price tag.

Who is a solar manufacturer & distributor?

As a solar manufacturer and distributor, we specialize in the design, development, and production of high-quality solar panels and related products. Our state-of-the-art manufacturing facilities are equipped with advanced technologies and adhere to strict quality control measures to ensure that our solar panels meet the highest industry standards.

Why is solar energy important in South Africa?

Solar energy helps South African homeowners reduce dependence on Eskom's grid, combating frequent outages and rising electricity costs. As Eskom's prices continue to increase, solar systems provide cost savings, consistent power, and long-term value.
