Overview

Where is Dushanbe located?

Dushanbe is situated in the Gissar Valley, surrounded on the north and east by the Gissar Range and on the south by the Babatag, Aktau, Rangontau, and Karatau ranges, at a height of 750–930 m. The city is organised into four districts, all of which have the names of historical figures: Ismail Samani, Avicenna, Ferdowsi, and Shah Mansur.

When was Dushanbe built?

Nevertheless, archaeologists believe that the history of Dushanbe is rooted in the era of the Kushan kingdom (II-III century AD). This is evidenced by exhibits at the National Museum in Dushanbe. Dushanbe is the capital and largest city in Tajikistan. Its name means "Monday" in Persian language, having been built on the site of a Monday market.

What is Dushanbe known for?

Dushanbe's contemporary culture emerged in the 1920s, with the establishment of Soviet music, opera, theatre, sculpture, cinema, and sports. Prior to the Soviet takeover, music, mainly shashmaqam, flourished in the city, owing to Russian influence and local opera houses and orchestras.

Who makes energy storage cabinets & battery cells?

As a professional manufacturer in China, produces both energy storage cabinets and battery cell in-house, ensuring full quality control across the entire production process. Our Industrial and Commercial BESS offer scalable, reliable, and cost-effective energy solutions for large-scale operations. 1.
