Energy Company s 2MW Solar Container Agreement

Overview

Will a 2GW solar project be built in Saudi Arabia?

Image: Masdar. Chinese engineering firm Shanghai Electric and UAE state-owned renewable energy company Masdar have signed an agreement to build a 2GW solar project in Saudi Arabia. The Sadawi project will be Shanghai Electric's largest engineering, procurement and construction (EPC) contract globally, and will cover 40 square kilometres.

What is the goal of a 2GW Sadawi solar project?

The goal is simple: to map out PV manufacturing out to 2030 and beyond. Shanghai Electric and Masdar have signed an agreement to build the 2GW Sadawi solar project in Saudi Arabia.

What is energy storage container?

SCU uses standard battery modules, PCS modules, BMS, EMS, and other systems to form standard containers to build large-scale grid-side energy storage projects.

What energy storage container solutions does SCU offer?

SCU provides 500kwh to 2mwh energy storage container solutions. Power up your business with reliable energy solutions. Say goodbye to high energy costs and hello to smarter solutions with us.
