

NKOSITHANDILEB SOLAR

Huawei South America Energy Storage Mobile Power Bank

Overview

HUAWEI SuperPower Magnetic Power Bank, lightweight and slim, comes with a foldable stand as well as magnetic charging mode, mobile power mode, charger mode, three charging modes to choose from; support for night-time charging mode, at the same time for mobile phones, mobile power efficient energy storage; compatible with different brands of mobile phones, watches and other device; 13 security protection, more peace of mind.What is a Huawei power bank?

This power bank is as versatile as it is reliable, with SCP, UFCS, and PD fast charging capabilities, support for HarmonyOS, iOS, and Android devices 6, and up to 25 W of input/output for two-way fast charging. It can even wirelessly charge HUAWEI devices and select non-HUAWEI devices.

Is Huawei Supercharge power bank 10000 Mah compatible with pd & qc standards?

Product information is subject to such changes and adjustments without notice. HUAWEI SuperCharge Power Bank 10000 mAh (Max 22.5W SE) is compatible with PD, QC, SCP and FCP standards,etc. It supports bidirectional quick charge and trickle charging modes.

How much does a superpower magnetic power bank weigh?

HUAWEI SuperPower Magnetic Power Bank weighs 141 g, is as thin as 11.26 mm, and comes with a foldable stand; it supports three charging modes, including magnetic charging mode, mobile power mode, and charger mode; it can store energy efficiently for your mobile phone and mobile power supply at night at the same.

What are Huawei's intelligent lithium battery solutions?

Huawei's intelligent lithium battery solutions provide dynamic peak shifting, transforming traditional backup power systems into efficient energy storage solutions that enhance system flexibility and reliability.

Huawei South America Energy Storage Mobile Power Bank
