Huawei a Swiss manufacturer of energy storage devices in the Zurich Valley

Overview

How does Huawei support Switzerland's Innovation and start-up ecosystem?

For several years, Huawei has been fostering Switzerland's innovation and start-up ecosystem by providing our technologies and expertise. We are partners with Ventureleaders, Science Olympiad, and Digitaltage.

Where is Huawei located in Switzerland?

Huawei Technologies Switzerland AG was founded in 2008 with its headquarters in Bern. In 2012, branch offices in Dübendorf (ZH) and Lausanne (VD) were added. Since 2013, in addition to Swiss telecommunications operators Swisscom and Sunrise, Quickline also became a Huawei customer.

Does Huawei have a Research Center in Switzerland?

Since 2018, Huawei has established a research center in Switzerland, headquartered in Zurich. It is part of Huawei Technologies Switzerland AG. The Zurich Research Center (ZRC) primarily focuses on exploratory research in innovative technologies and proof-of-concept validation.

What makes Huawei a good partner?

Huawei relies on a loyal and steadily growing partner ecosystem of Swiss distributors, resellers, as well as implementation, solution, IT, and innovation partners. In the Digital Power sector, we supply our customers with leading digital energy products and solutions.
