India produces solar air conditioners

Overview

Which is the best solar AC in India?

Our first pick on this list of the best Solar AC in India is this particular air conditioner from Godrej. The Godrej brand has been synonymous with most Indian households for decades, so you know you're getting a decent product. Coming to the specifications, the AC supports a tonnage of 1.5 tons, making it perfect for medium to larger-sized rooms.

Are solar air conditioners a good investment in India?

With India experiencing intense summers and rising electricity costs, the demand for solar air conditioners (ACs) is on the rise. Solar ACs are an eco-friendly and cost-effective alternative to traditional air conditioners, powered by the sun's renewable energy.

Why should you switch to a solar AC in India?

Switching to a solar AC in India has multiple benefits, particularly due to the country's sunny climate and rising energy costs. Here are key reasons to consider solar AC: Energy Savings: Solar ACs reduce dependence on electricity from the grid, leading to significant savings on monthly power bills.

How much does Blue Star Solar AC cost in India?

This particular Blue Star Solar AC comes with a 1-ton capacity and uses a Brushless DC motor. Moreover, Blue Star has equipped the air conditioner with their signature Turbo Cool technology, which cools the room quickly, even in extreme summer conditions. Price in India: Rs. 33,999 Buy on Flipkart 3.
