# Is there any BESS outdoor base station power supply near Abu Dhabi

## Overview

---

Who will supply battery energy storage system (BESS) equipment?

Utility-scale renewable energy developer-operator Masdar said on Friday (17 January) that it has selected CATL to supply battery energy storage system (BESS) equipment alongside fellow Chinese companies Jinko Solar and JA Solar as solar PV module suppliers.

Will Dubai's new solar power plant be able to operate 24/7?

The facility will be capable of operating 24/7 on renewable energy. This will also be the world's first 24/7 solar PV, battery storage gigascale project, according to Abu Dhabi Future Energy Company (Masdar) and Emirates Water and Electricity Company (EWEC), which are part of the project.

What is a 6b solar project in Abu Dhabi?

Edit by paco CATL and Masdar launch a \$6B solar and battery project in Abu Dhabi, delivering 1 GW of 24/7 clean energy—setting a new benchmark in renewable power.

What is CATL & Masdar doing in Abu Dhabi?

On January 17, CATL and Masdar, the UAE's leading clean energy company, announced a groundbreaking partnership to develop the world's first large-scale, 24/7 giga-scale project in Abu Dhabi. This innovative initiative will integrate solar power with battery storage to ensure continuous, round-the-clock energy supply.
