Koten safety breaker factory in Honduras

Overview

Who is KOTEN enterprises?

KOTEN ENTERPRISES COMPANY, INCORPORATED was established in 1987 as a trading company. Expanded our operations as an importer, exporter, distributor, and wholesaler in 1997.

Where is KOTEN based?

KOTEN's main facility and head office is located at 439 Jui-Kuang Road., Taipei Taiwan and our Wholesaler's office is at 218 Lucban St., Pasay City Philippines. The panel board manufacturing plant and warehouse facility is strategically located at No. 6 LBICA Compound Malinis St., Valenzuela City.

Where is KOTEN panel board manufacturing company located?

Since quality is our main objective, we have decided to establish our own panel board manufacturing company in the year 2000 for us to be able to meet the demands of our growing clients. KOTEN's main facility and head office is located at 439 Jui-Kuang Road., Taipei Taiwan and our Wholesaler's office is at 218 Lucban St., Pasay City Philippines.

What is KOTEN's safety breaker?

KOTEN-S Safety Breaker is a MCB or MCCB that is enclosed in a flame-retardant, impact-resistant plastic enclosure. It is used for indoor applications and is applicable for RCBO, plug-in, and bolt-on type circuit breakers. It is also optional with a socket outlet that has a rated current of 50A. Single Pole 2 way switch varies from 1 to 4 gangs.
