

**NKOSITHANDILEB SOLAR**

# **Low-pressure type folding container for emergency rescue**

## Overview

---

What is a prefabex disaster relief container?

Prefabex disaster relief containers offer an innovative, high-quality solution designed specifically to meet the urgent demands of emergency situations. With decades of expertise in modular and containerized structures, Prefabex ensures that each unit provides optimal safety, comfort, and functionality for relief efforts worldwide.

What is a disaster relief container?

Our disaster relief containers are engineered for quick setup, making them ideal for emergency situations where time is critical. Units can be pre-assembled or flat-packed, allowing for flexible transport options and minimal on-site assembly to provide immediate shelter.

What is a prefabex emergency response container?

Prefabex emergency response containers can be tailored to specific emergency needs, from accommodation to medical units, sanitation, and kitchen facilities. Their modular design allows them to be expanded or combined, accommodating larger groups or specialized functions in disaster zones.

Why should you choose containex containers & modules?

Then you are in the right place: CONTAINEX containers and modules are the flexible and promptly available solution. Various new and used cabin/container types with numerous equipment options guarantee you versatile use and are promptly available thanks to a comprehensive sales and depot network.
