Overview

Who makes soluxtec solar panels?

Soluxtec, a significant German manufacturer of photovoltaic modules, stands for the highest quality and innovation. Their environmentally friendly and sustainable solar solutions provide an efficient way to harness renewable energy and reduce the ecological footprint.

Why should you choose a solar & thermal renovation company in Luxembourg?

Our integrated solutions help homeowners and businesses in Luxembourg reduce energy bills, increase property value, and achieve long-term sustainability. We guide you through every step – from design to installation – and assist with subsidies and tax incentives, making your switch to solar and thermal renovation smooth and affordable.

Who is solarcells?

SolarCells is the first producer of photovoltaic panels in Luxembourg, located in Hollerich. We manufacture high-quality panels using European components, certified with IEC standards, offering yields exceeding 400 Wc.

Who is soluxtec?

Soluxtec is the ideal partner for environmentally conscious customers who seek reliable and high-performance photovoltaic technology. Viessmann, an established player in the renewable energy sector, not only offers heating and climate technology solutions but also photovoltaic systems.
