# Micronesia BESS Portable Power Bank

**1mwh** (500kw/1mw)

AIR COOLING  
ENERGY STORAGE CONTAINER

## Overview

---

Why did the Micronesian government seek out PV & Bess?

The Micronesian government sought out PV and BESS for a grid-tied solution to support (PCU) Micronesia's power supplier. Installation of BESS supported power infrastructure at two locations:.

Why should you choose a Bess & powrbank generator?

Move and operate in diverse environments with the compact BESS, POWRBANK. Enjoy extended hours free from noise and air pollution. The result is reliable and sustainable energy for any event, construction or mining site, and beyond. Learn more about Hybrid Power Systems. The diesel generator supplies energy to the jobsite.

Do you need a portable battery or power bank?

Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful. But there's an easy solution: a portable battery or power bank. They are available in various sizes and capacities, and can include handy features such as fast charging and multiple ports.

Which MagSafe power bank should I buy?

If you have an iPhone, we recommend some alternatives in our Best MagSafe Power Banks guide. If you're looking for a compact power bank with decent capacity, Anker's Nano Power Bank is my pick, but watch out because the company has several power banks with the same name.
