# **New Delhi Smart Photovoltaic Energy Storage Container Exchange**

## Overview

---

With the theme of ' Building a Digital and Smart India,' the Smart Energy India 2025 aims to deliver better citizen service by showcasing latest technologies in the smart energy domain, including Solar Energy.

What is smart energy India 2024?

With the theme of ' Building a Digital and Smart India ,' the Smart Energy India 2024 aims to deliver better citizen service by showcasing latest technologies in the smart energy domain, including Solar Energy, Natural Gas, Wind Energy, Fuel Cell, Solar & PV, Batteries & Storage, Smart Grid, Biomass, Thermal Power, Decarbonization and many more.

When is smart energy India Expo 2025?

Rated 4.0 by 213 people. Check out who is attending ★ exhibiting ★ speaking ★ schedule & agenda ★ reviews ★ timing ★ entry ticket fees. 2025 edition of Smart Energy India Expo will be held at Pragati Maidan, New Delhi starting on 19th March. It is a 3 day event organised by Exhibitions India Group and will conclude on 21-Mar-2025.

Which products / services will be showcased in Smart Energy India Expo?

Solar Applications, Thermal Power, Wind Energy, Solar Energy, Storage Solutions etc. are some of the products / services to be showcased in Smart Energy India Expo. Can I get a list of speakers participating in the event?

There are approx 33 speakers participating in this event. To get the list of speakers, please visit our.

Why should you attend the Smart Energy India 2022 Expo?

With booming opportunities available in the Indian energy sector, and the Indian government promoting sustainable energy initiatives, mark your presence at the esteemed platform, the Smart Energy India 2022 expo and thereby gain access to meet & connect with the smart energy ecosystem of India.
