

NKOSITHANDILEB SOLAR

North Asian single supercapacitor manufacturer

Overview

Who makes supercapacitor in China?

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercapacitor, module supercaps, high temperature supercap and hybrid capacitor.

What are supercapacitors?

Our company is at the forefront of technological advancements, offering innovative energy storage solutions for various industries. Supercapacitors, also known as ultracapacitors, are a revolutionary breakthrough in energy storage technology.

Who makes kamcap supercapacitor?

Kamcap is one of the earliest companies in China to develop supercaps. and is the first group of vice presidents. Since 2021, kamcap has reached a partnership with TTI, a world-renowned power tool manufacturer, and has become TTI's supercapacitor supplier. In 2013, Kamcap passed the on-site review of Korean company Samsung.

What types of ultracapacitor are available?

We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercapacitor, module supercaps, high temperature supercap and hybrid capacitor. Kamcap is devoted to the research and development of ultracap and strictly control the ultracapacitor production.
