Norway has several base station sites

Overview

How many US military bases are in Norway?

On Friday afternoon, Norwegian MoD Bjørn Arild Gram and the US Ambassador to Norway, Marc Nathanson, signed an amendment agreement establishing eight new agreed areas. The US already has unimpeded access to and use of four military bases in Norway. In Northern Norway, these include the Ramsund Naval Station and Evenes Air Station.

How many pre-defined military facilities are there in Norway?

With eight new, there will be a total of 12 pre-defined military facilities and areas under the so-called Supplementary Defense Cooperation Agreement (SDCA). The amendment is now pending the consent of the Norwegian Parliament.

Does Norway have a military base on Norwegian soil?

Since 1949, the Norwegian policy has been that other countries should not have military bases on Norwegian soil. The purpose is to ensure a balance between deterring and reassuring Russia. This article originally appeared in the March 2024 issue of The Norwegian American.

Where are the air stations in Norway?

In Northern Norway, these areas are Andøya and Bardufoss air stations, Setermoen garrison (including the firing and exercise range), and the Osmarka mountain facility in Evenes municipality.
