Ottawa energy storage project financing

**2MW / 5MWh
Customizable**

Overview

What is the largest energy storage procurement in Canada?

This represented the largest energy storage procurement ever in Canada. A report was tabled at the NovemAgricultural and Rural Affairs Committee on four proposed BESS projects within Ottawa, one of which project received Council support, known as a Municipal Support Resolution (MSR).

Is a 250-megawatt battery storage project in Ottawa down?

This post has been updated with a comment from Evolugen's Geoff Wright. A proposed 250-megawatt battery storage project in Ottawa's rural west is down but not out, after the city's Agriculture and Rural Affairs Committee (ARAC) voted unanimously last week to reject the plan.

Does Ottawa fire services provide water storage?

Water storage may be available on-site, and Ottawa Fire Services is Superior Tanker Shuttle certified to maintain continuous water delivery as needed. Will Ottawa Fire Services inspect and certify that BESS projects are safe before they are operational?

OFS plays a role in ensuring the safety of BESS projects.

Where is a battery energy storage system near Dunrobin?

City approval is being sought for a Battery Energy Storage System (BESS) near Dunrobin. A map posted on the website of Evolugen shows the location of the proposed South March Battery Energy Storage System (BESS) at 2555 and 2625 Marchurst Rd. near Dubrobin. Photo by EVOLUGEN / HANDOUT
