# **Outdoor power camping degree**

## Overview

---

What can you do with a Master's in outdoor education?

The program prepares graduates for careers in outdoor recreation management, resource management, camping administration, and more. Master's degrees in outdoor education represent a dynamic and exciting field of study, ideal for those passionate about the outdoors and eager to pursue a career in this area.

Why should you choose a college for outdoor education?

Colleges across the U.S. offer plenty of opportunities for students who love outdoor activities like skiing, hiking, and paddle boarding. These colleges also offer academic degrees in environmental and earth sciences, allowing outdoor enthusiasts to combine their love of nature with their education and potential career paths.

How can I obtain an outdoor education degree?

To obtain an outdoor education degree, you typically need a high school diploma or equivalent. Many programs require a minimum GPA and SAT/ACT score. Once you obtain your degree, additional outdoor ed certifications are required to pursue a career in this field. There are many different levels of outdoor education degrees.

What can I do with a camp & outdoor adventure leadership degree?

Earn a degree in Camp and Outdoor Adventure Leadership and turn your passions into a career! By pursuing this degree, you will have the opportunity to gain the biblical foundation and strategic insight needed to successfully run Christian camps and outdoor recreational facilities.
