Is Prague a good place to take a photo?

Prague is one of the most beautiful cities in the world. It's a true paradise for cityscape photographers as the city offers countless photo opportunities that, with luck and skill, you can turn into photographs you will be proud of. This complete photo guide will help you to discover the best photo spots and Instagrammable locations in Prague.

How to take a good interior photo in Prague?

Don't forget to set a high ISO (e.g., 3200) to get a sharp image while keeping your aperture at about f/4 (or even wider). Walk to the third floor and shoot from the top to the bottom. You get a different perspective and still a lovely picture that will stand out in your collection of interior shots from Prague.

How to take a photo of Prague Castle?

Just another spot on the riverside to capture Prague Castle at sunset or in the soft morning light. You can try a panoramic image, including the boats. Don't forget to overlap your images by at least 30% to stitch them in post-processing without any trouble.

What is Prague famous for?

Prague, the capital of the Czech Republic, is the ultimate in fairytale scenery and one of Europe's most beautiful cities. Famous as the birthplace of Franz Kafka and for its iconic Astronomical Clock, the city boasts outstanding gothic and baroque architecture, delightful cafes, and spectacular viewpoints along the Vltava River.
