Why should you use icontainers' ocean freight calculator?

For businesses or individuals looking to ship small parcels or documents by air. In a world where shippers want everything quick and fast, a turnaround time of two days for shipping rates no longer cuts it. iContainers' ocean freight calculator eliminates that problem by providing instant shipping quotes.

How do I choose a container type for my cargo?

Our ocean freight calculator allows you to select the container type you need for your cargo, including standard 20-foot and 40-foot containers, high cube containers, and reefers. Choose the option that suits the requirements of your cargo. Does the calculator provide rates for special cargo shipments?
