## Overview

---

Where can I buy solar lights in the UK?

Making Solar Lights That Work. Solar Centre is the UK's leading solar lighting retailer. Secure shopping, great prices and Free UK delivery.

Are solar lights a good choice for your home?

Sometimes, the best things in the home are energy and cost-efficient - our solar lights are a shining example. If you fancy going green without sacrificing quality and brightness, browse a variety of lights made for long-lasting performance. Solar outdoor lanterns create a serene atmosphere, adding simplistic beauty to any space.

Are solar lights good for your garden?

Solar lights are environmentally friendly lighting and with a good set, you can create an ambience that lets you enjoy your garden long after dark. Powered by solar panels, they absorb daylight and convert it to electrical energy, charging your lights so they're ready to go at night.

Are solar lights easy to install?

What's more, solar lanterns and lights are easy to install, with no need for unattractive wiring or outdoor plug sockets. Solar lights from Homebase are the perfect renewable energy option for lighting up your outdoor space. From decorative solar lights to solar lanterns, shop today!
