# Procurement of 500kW Solar Containers in Germany

## Overview

---

Does Germany have a solar-plus-storage innovation tender?

Image: Baywa r.e. The German Federal Network Agency (Bundesnetzagentur) has awarded 587MW of solar-plus-storage in its latest Innovation Tender. As has been the case in many of Germany's recent solar PV auctions, the Innovation Tender ended up oversubscribed, with 154 bids made for 1.8GW of capacity out of 583MW tendered capacity.

How many MW of solar-plus-storage capacity will be awarded?

Both capacity bid for and awarded were higher than the previous innovation auction held in July 2024, which awarded 512MW of capacity for solar-plus-storage projects. The Innovation Tender solicitations were launched in 2020, and are open to project bids that combine two or more renewable or clean energy technologies.

Was Germany's innovation tender oversubscribed?

Germany's innovation tender ended up being oversubscribed with a combined bid capacity of 1.8GW. Image: Sungrow. The German Federal Network Agency (Bundesnetzagentur) has awarded 587MW of solar-plus-storage in its latest innovation tender.

When will Germany's innovation auction be held in 2025?

The following innovation auction will be held on 1 May 2025. As has been the case in many of Germany's recent solar PV auctions, the innovation tender ended up oversubscribed with 1.8GW of capacity.
