**Recognized as the best solar  
inverter**

## Overview

---

What are the top 10 solar inverter brands?

Discover the top 10 global solar inverter brands—Sungrow, Huawei, Solis, GoodWe, Growatt, SMA, SolarEdge, Power Electronics, FIMER, and Enphase Energy. Explore their unique technologies and learn why they lead the clean energy market.

Who makes the best solar string inverter?

We review the best grid-connect solar inverters from the worlds leading manufacturers Fronius, SMA, SolarEdge, Fimer, Sungrow, Huawei, Goodwe, Solis and many more to decide who offers the highest quality and most reliable solar string inverters for residential and commercial solar.

How do I choose the best solar inverter?

Choosing the best solar inverter comes down to efficiency, voltage performance, warranties, and price. We looked at all these factors in dozens of models featured on the EnergySage Marketplace to determine the best inverters of 2025. Five brands stood out: SolarEdge, Tigo, Enphase, Hoymiles, and Schneider Electric.

Which solar panel inverters are best for residential use?

Delta, a global leader in power and thermal management solutions founded in 1971 in Taiwan, presents its Home Series - a line of solar panel inverters specifically designed for residential use. These high-efficiency, single-phase inverters range from 2.5kW to 5kW and are notable for their low start-up voltage of 35V.
