Retail of 100-foot Folding Containers for Airports

Overview

Why should you choose a folding container?

Contact us! Folding containers can give up to an 80% saving in volume and are available in standard footprints and heights. Lid and closure options are also available.

Are folding boxes a good choice for your business?

Start your custom project Folding boxes can be easily assembled and disassembled, making them a convenient choice for businesses with dynamic storage needs. Made from high-quality materials, these containers are durable and can withstand heavy loads and harsh conditions.

What are shipping container and steel frame modular retail units?

Our shipping container and steel frame modular retail units provide a cost-effective, innovative solution for developers, start-ups, and established brands alike. Whether you need mobile, semi-permanent, or permanent retail spaces, we offer flexible options tailored to fit your vision.

How much space does an empty folding container save?

As an empty folding container can save a volume of up to 80 percent compared to an upright container, a maximum of five times as many empty folded containers can be stored on the same floor space than would be possible with rigid containers.
