# **Solar container lithium battery pack 60v200a**

**LFP 48V 100Ah**

## Overview

---

### What is LZY solar storage?

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.

### Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.

### What is LZY containers?

LZY Containers provide innovative mobile solar container solutions for businesses worldwide. Our mobile solar systems are designed to be reliable, efficient and easy to use. Explore LZY Containers's customizable and scalable solar container solutions, with rapidly deployable folding PV panels combined with containerized designs.

### Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
