

**NKOSITHANDILEB SOLAR**

# **Southeast Asia s solar energy storage power supply manufacturer**

## Overview

---

What's new in the sinovoltaics Southeast Asia Solar supply chain map?

- This latest version of the Sinovoltaics Southeast Asia Solar Supply Chain Map has been updated with a series of additions. These include Imperial Star Solar and SolarSpace in Laos, BoWay Solar Power Technology and CRC Solar in Vietnam, Gstar in Indonesia and Thailand, and Elite Solar in Cambodia.

What is the Southeast Asia Solar supply chain map?

This edition of the Southeast Asia Solar Supply Chain Map provides a detailed snapshot of current realities and future ambitions, as the region navigates complex trade, investment, and production challenges.

What's new in the 2025 Southeast Asia Solar supply chain map?

The first 2025 edition of the Southeast Asia Solar Supply Chain Map includes significant revisions and additions, driven by valuable market feedback and the region's evolving geopolitical and industrial dynamics.

What is Singapore's largest energy storage system?

In Singapore, we operate Southeast Asia's largest energy storage system. The 326MWh system on Jurong Island supports the country's growing deployment of solar energy, while enhancing grid reliability and energy supply security.  
Sembcorp Energy Storage System in Singapore
