Tunisian Government Energy Storage Project

Overview

Who manages the energy sector in Tunisia?

As of March 2020, the Tunisian electricity sector is managed by the Ministry of Energy, Mines and the Energy Transition. For the past two years, renewable energy portfolio was managed by the Ministry of Industry, Small and Medium Size Enterprises.

How will Tunisia achieve energy security?

As part of the country's commitment to reduce carbon emissions and achieve energy security, Tunisia aims to generate 35% of its electricity from renewable sources by 2030 and 50% by 2050.

Why should Tunisia invest in tereg?

“ By fostering renewable energy development, TEREg will strengthen Tunisia's position in clean energy, creating economic opportunities and ensuring long-term energy security,” said Alexandre Arrobbio, World Bank Country Manager for Tunisia. “ This project reflects our strong partnership with Tunisia and supports its sustainable development goals.

Does Tunisia need solar power?

Expanding Solar Power to Meet Growing Energy Needs To bolster its solar energy capacity, the Tunisian government signed agreements with renewable energy firms Scatec and Aelous to build solar plants in Sidi Bouzid and Tozeur.

Tunisian Government Energy Storage Project

As of March 2020, the Tunisian electricity sector is managed by the Ministry of Energy, Mines and the Energy Transition. For the past two years, renewable energy portfolio was managed by the Ministry of Industry, Small and Medium Size Enterprises.

As part of the country's commitment to reduce carbon emissions and achieve energy security, Tunisia aims to generate 35% of its electricity from renewable sources by 2030 and 50% by 2050.

" By fostering renewable energy development, TEREK will strengthen Tunisia's position in clean energy, creating economic opportunities and ensuring long-term energy security," said Alexandre Arrobbio, World Bank Country Manager for Tunisia. " This project reflects our strong partnership with Tunisia and supports its sustainable development goals.
