

NKOSITHANDILEB SOLAR

Vietnam energy storage product supplier

Overview

Who owns Marubeni green power Vietnam?

Marubeni Green Power Vietnam, a wholly owned subsidiary of Marubeni—one of Japan's largest general trading 'sōgō shōsha' companies—partnered with Vietnamese counterpart VinGroup for the 1.8MW/3.7MWh lithium-ion (Li-ion) battery energy storage system (BESS) project.

Did Marubeni launch a megawatt-scale battery storage demonstration project in Vietnam?

The project's official inauguration event held in December. Image: VinGroup. A green energy subsidiary of Japanese conglomerate Marubeni has brought online a megawatt-scale battery storage demonstration project in Vietnam.

Who is Vingroup & VinFast energy?

VinGroup is, in turn, Vietnam's largest trading conglomerate. Another of its subsidiaries, Vinfast Energy, which specialises in the electric vehicle (EV) space as well as stationary batteries, developed and manufactured the site's battery-based energy storage system (ESS).

How much solar power does Vietnam have?

Vietnam's Eighth National Power Development Plan, published in 2023, also acknowledges that the country's solar potential is an estimated 963GW of capacity, and the government has since made moves to provide offtake tariffs and better enable onsite self-consumption.
